Joan Roth Herschede Scholarship Fact Sheet

The Joan Roth Herschede Scholarship is awarded each year to eligible students with a 3.25 grade point average or higher. Each year, one full-tuition scholarship and as many partial scholarships as funding allows are awarded. The purpose of the scholarship is to help as many deserving students as possible within the funding limitations.

All Roth Herschede scholarships are for a period of one year. However, recipients of the scholarship may reapply each year.

The committee may decide to award no scholarships in a particular year if it is determined that no deserving applications are received.

Applications are available to all students, regardless of religious affiliation, grades 7-12 and sixth-graders who will be entering Notre Dame Junior and Senior High School.

Selection will be made by a committee based on academic record, community service, and extra-curricular involvement and financial need. These areas of eligibility will weigh equally.

Students must submit an application package consisting of the following items:

1. Roth Herschede Scholarship Application which includes a standard financial-aid form used for school tuition assistance applications. All information will be held in confidence.
2. A signed, grade release authorization form.
3. Most recent transcript showing cumulative GPA of 3.25 or higher.
4. One letter of recommendation from an adult knowledgeable of the applicant but not related to the applicant.
5. A letter of request from the student, detailing why the student wants to attend Notre Dame Junior/Senior High School.

As part of the award criteria, each awardee will send a handwritten letter of thanks to Mrs. Herschede and at least one academic progress report during the school year.

Please contact the Notre Dame High School Office for an application or visit the web at www.nddev.com.

Deadline for applications is May 27, 2005.

Students will be informed by June 22 of the committee's decisions.
